

OCCUPATIONAL HEALTH AND SAFETY POLICY

As Aromsa, whose aim it is to add sustainable flavors to the world, we provide safe and healthy working conditions in all stages of our design, production and sales activities in the food sector we serve, to prevent work-related injuries and health deterioration for our employees, subcontractors, visitors and other parties affected by our operations.

With our OHS Management System; in accordance with the occupational health and safety regulations and the standards of all the organizations we are affiliated with, we determine our OHS objectives and targets, establish OHS programs, and carry out continuous improvement and development activities by providing the necessary resources to eliminate hazards and reduce OHS risks.

We inform our employees through training programs, and provide consultation and participation.

The policies are open and announced to all relevant parties that interact with Aromsa.

Murat Yasa
